Registration Fee: With the registration forms, a **registration fee of \$50.00 is required** (\$25.00 summer program only) to reserve your child's place in the classroom. Without this payment, the forms will be returned and no space is held. It is understood that this payment is a commitment to enroll and not subject to refund.

School Year Layout: Our school year begins the middle of Aug. and ends the second week in June. In addition to traditional holidays, there is a one-week autumn break in Oct., a two-week winter break over Christmas and New Years, and one-week breaks in both Feb. and Apr. which coincide with the SAU #9 public school calendar. When school is canceled due to snow, those days will be made up during the Feb. and Apr. breaks instead of at the end of the school year.

After School Enrichment is available from 3:00 to 5:00 at a cost of \$11.00 each day. Total cost for the program will be assessed each month on a per day basis as it is used. Capacity is limited. Advance notice must be given of your intent to have your child stay for after school care. Crafts, music, snacks, nature exploration and much more!

Early morning Drop Off Option is available from Aug. – June only. For a \$7.00 charge per day you may drop your child at school as early as 7:30 a.m. Prior arrangement must be made with the administrator.

Late Fees and Extra Attendance: Dismissal times are 11:45, 2:45, and 5:00. Pick-up even one minute later than 12:00, 3:00 and 5:05 will result in a \$10.00 charge. Requests for occasional extra days of attendance will be charged \$33.00 for a full day and \$21.00 for a morning or afternoon, regardless of the program in which your child is enrolled. Tuition payments made later than 5th of the month will be assessed a fee 5% of the total owed.

Additional Information: There will be no deduction in tuition fees for illness, vacations or holidays. Monthly tuition fees are based on an average for convenience and do not reflect the actual number of days school was in session for that month. The per day cost is the annual tuition divided by the total number of days school is in session for each program. Tuition installments due in Aug. and June are halved to reflect the fewer days school is in session these months. Billing statements are issued the 1st of every month, payments are due immediately.

Discounts: Families with more than one child enrolled are eligible for a 10% discount in the second tuition fee.
